OSA-0353-63

23 January 1963

MEMORANDUM FOR THE RECORD

SUBJECT: [REDACTED]

1. On 21 January 1963 the DD/R informed me that he had ascertained that a letter was received in the CIA Watch Office from Dr. Killian addressed to the DCI. Dr. Scoville pointed out that [REDACTED] had authorized the Watch Office to open the letter and make a thermofax copy of it, and a possibility exists that someone in the Watch Office may have had access to Project "O" information.

2. On 22 January 1963 I checked this matter out with [REDACTED] and he informed me that the letter was received and he directed [REDACTED] to open it, make a copy of it and deliver the original to the DCI at the airport. [REDACTED] stated that only [REDACTED] had access to the letter and although "O" wasn't mentioned by name, the letter did, in fact, refer to the Project. [REDACTED] obtained the thermofaxed copy of the letter.

3. A check of our indices discloses that the Subject is cleared for I, O, C & A. No further action is required.
